Management Discussion and Analysis Pulaski County Public Housing Authority

As Management of the Pulaski County Public Housing Authority we offer readers of the Authority's financial statements this narrative overview and analysis of the financial activities of the Authority for the year ended December 31, 2016.

FINANCIAL HIGHLIGHTS

Total Assets of the Authority increased \$ 300,503 as of December 31, 2016, over the prior year.

An increase in Housing Assistance Subsidy contributed to an increase of Operating Revenue of the Authority by \$ 180,531 from the prior year.

Total Operating Expenses increased \$ 60,385 including an increase in Housing Assistance payments of \$ 48,238.

OVERVIEW

The PHA administers the Housing and Urban Development (HUD) Housing Choice Voucher Program serving a baseline of 394 households in Camden, Laclede, Miller, and Pulaski counties of rural Missouri. The purpose of this program is to assist low-income families to live in safe, decent, and affordable housing.

OVERVIEW OF THE FINANCIAL STATEMENTS

The Authority prepares its financial statements using proprietary fund accounting. Propriety fund accounting uses full accrual basis principals. Revenues are recognized as earned and expenditures are recorded when incurred. The Authority receives funding from numerous sources. In order to properly account for the funds and restrictions on them, our accounts are maintained in accordance with the principals of fund accounting.

A fund is a grouping of related accounts that is used to maintain control over resources that have been segregated for specific activities or objectives. The Authority, like other state and local governments, uses fund accounting to ensure and demonstrate compliance with finance-related legal requirements. The Authority has only one fund type, namely an enterprise fund which is a proprietary fund type.

The Authority's financial statements consist of two parts - management's discussion and analysis and the basic financial statements. The basic financial statements include the Authority's financial statements and notes to the financial statements.

- The financial statements provide information about the Authority's overall financial position and results from operations. These statements, which are presented on the accrual basis, consist of the Statement of Net Position, the Statement of Revenues, Expenses and Changes in Net Position, and the Statement of Cash Flows.
- The financial statements also include a "Notes to Financial Statements" section that provides additional information that is essential to a full understanding of the data provided in the statements.

The statements report information about the Authority as a whole using accounting methods similar to those used in private sector companies. The Statement of Net Position includes all of the Authority's assets and liabilities. All of the current year's revenues and expenses are accounted for in the Statement of Revenues, Expenses and Changes in Net Position, regardless of when cash is received or paid.

The Authority's statements report the Authority's net position and how it changed. Net position, the difference between the Authority's assets and liabilities, is one way to measure the Authority's financial position.

The Authority's Financial Statements are presented to provide readers with a broad overview of the Authority's finances much the same way as a private sector business does. The Combining Schedules provide more detailed information about the Authority's most significant activities. These statements are divided into programs of related accounts that are used to maintain control over resources that have been segregated into specific activities, objectives or programs.

Significant Programs

The Authority has two programs that are consolidated into a single enterprise fund. The major program consists of the following:

Section 8 Housing Assistance – Vouchers – The housing choice voucher program is the federal government's major program for assisting very low-income families, the elderly, and the disabled to afford decent, safe, and sanitary housing in the private market. Housing choice vouchers are administered locally by PHAs. The PHAs receive funds from HUD to administer the voucher program. A housing subsidy is paid to the landlord directly by the PHA on behalf of the participating family. The family then pays the difference between the actual rent charged by the landlord and the amount subsidized by the program.

AN OVERVIEW OF THE AUTHORITY WIDE FINANCIAL POSITION AND OPERATIONS

The Authority's overall financial position and operations are presented below.

	FY 2015	FY 2016
Current Assets	\$ 612,934	\$ 913,887
Capital Assets, Net of Depreciation	1,612	1,162
Total Assets	<u>\$ 614,546</u>	<u>\$ 915,049</u>
Current Liabilities	\$ 111,114	\$ 169,741
Non-Current Liabilities	-	-
Deferred Inflows of Resources	-	120,535
Total Liabilities	<u>111,114</u>	<u>290,276</u>
Net Position		
Net Investment in Capital Assets	1,612	1,162
Restricted for Housing Assistance Payments	15,142	75,488
Unrestricted Net Assets	<u>486,678</u>	<u>548,123</u>
Total Net Position	<u>503,432</u>	<u>624,773</u>
Total Liabilities & Net Position	<u>\$ 614,546</u>	<u>\$ 915,049</u>

Assets:

Current Assets are \$ 913,887 for the year ended December 31, 2016, compared to Current Assets of \$ 612,934 for the year ended December 31, 2015, showing an increase of \$300,953. This change is mainly due to an increase in cash.

Liabilities:

Current Liabilities increased for the year ended December 31, 2016 by \$ 58,627 which is attributable to an increase in unearned revenue at December 31, 2016.

Net Position:

The restricted portion of Net Position represents funds that are to be used for Housing Assistance Payments in the Housing Choice Program. They are not to be used for administrative expenses or any other program.

Capital Assets:

	FY 2015	FY 2016
Furniture, Equipment & Machinery - Administration	\$ 22,282	\$ 22,282
Accumulated depreciation	<u>(20,670)</u>	<u>(21,120)</u>
Total capital assets, net of accumulated depreciation	<u>\$ 1,612</u>	<u>\$ 1,162</u>

Change in Net Position:

	2015	2016	Increase (Decrease)
Operating Revenue:			
HUD PHA Housing Choice Vouchers	\$ 1,594,288	\$ 1,749,885	\$ 155,597
Fraud Recovery	17,239	40,905	23,666
Other Revenue	101	1,369	1,268
Total Operating Revenue	1,611,628	1,792,159	180,531
Operating Expenses:			
Administrative	165,952	167,448	1,496
Tenant Services	-	-	-
Utilities	6,033	5,529	(504)
Maintenance and Operations	-	-	-
Insurance, Taxes, and Bad Debt	2,873	2,473	(400)
Housing Assistance	1,433,198	1,481,436	48,238
Depreciation Expense	450	450	-
Bad Debt Expense - Fraud	3,953	15,508	11,555
Total Operating Expenses	1,612,459	1,672,844	60,385
Operating Income (Loss)	(831)	119,315	120,146
Nonoperating Revenue (Expense)			
Interest Income	1,745	2,026	281
Net Nonoperating Revenue (Expense)	1,745	2,026	281
Change in Net Position	914	121,341	120,427
Beginning Net Position	502,518	503,432	914
Ending Net Position	\$ 503,432	\$ 624,773	\$ 121,341

Revenues:

Operating revenue was up for 2016 for a total of \$ 180,531. The majority of this was a change in the grants received from HUD. The Authority received \$ 155,597 more in 2016 for Housing Assistance Payments and administration expense than what was received in 2015. There was also \$ 23,666 more in fraud recovery revenue and \$ 1,268 more in other revenue. Other revenue consists mainly of funds received from administrators of other housing vouchers for clients who have moved to our area, but are still recipients under their program. We then pay the rental assistance payments out of these funds.

Expenses:

Expenses increased over the previous year by \$ 60,385. This included an increase in housing assistance payments of \$ 48,238. The remaining expenses increased by \$ 12,147 over the prior year.

SIGNIFICANT CHANGES IN INDIVIDUAL PROGRAMS

No significant changes have taken place in the Housing Choice Voucher Program in the last year.

Revenue Sources 2016

Housing Authority Revenue

POTENTIAL IMPACTS ON FINANCIAL POSITION

The Authority receives approximately 97.53% of its funding from Federal sources. These funds are always at the discretion of the President and Congress. When looking at our overall revenue picture, Federal funding increased from FY 2015 to FY 2016. Federal funds are expected to remain constant in FY 2017.

COMPARISON OF BUDGETED RESULTS TO ACTUAL

INDEPENDENT AUDITORS' REPORT

Board of Commissioners
Pulaski County Public Housing Authority
Richland, Missouri

Report on the Financial Statements

We have audited the accompanying financial statements of Pulaski County Public Housing Authority, as of and for the year ended December 31, 2016, and the related notes to the financial statements, which collectively comprise the Authority's basic financial statements as listed in the table of contents.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Authority's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Authority's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Pulaski County Public Housing Authority, as of December 31, 2016, and the changes in financial position and cash flows thereof for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matters

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis on pages i through vi and required supplementary information listed on the table of contents be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Other Information

Our audit was conducted for the purpose of forming an opinion on Pulaski County Public Housing Authority's basic financial statements. The financial data schedule is presented for the purpose of additional analysis and is not required as part of the basic financial statements. The schedule of expenditures of federal awards is presented for purposes of additional analysis as required by Title 2 U.S. *Code of Federal Regulations* (CFR) Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance), and is also not a required part of the basic financial statements.

The financial data schedule and schedule of expenditures of federal awards are the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the financial data schedule and the schedule of expenditures of federal awards are fairly stated, in all material respects, in relation to the basic financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated July 21, 2017 on our consideration of Pulaski County Public Housing Authority's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Pulaski County Public Housing Authority's internal control over financial reporting and compliance.

**PULASKI COUNTY
PUBLIC HOUSING AUTHORITY**
Richland, Missouri
HUD Project No. MO207

Notes to Financial Statements
December 31, 2016

1. NATURE OF ORGANIZATION

Organization and Purpose

Pulaski County Public Housing Authority (“the Authority”) is a component unit of Pulaski County, Missouri, as administered by Missouri Ozarks Community Action, Inc. (MOCA), and is a public housing authority providing housing assistance and utility assistance to individuals in accordance with the rules and regulations prescribed by the Department of Housing and Urban Development and other Federal agencies.

The Authority is governed by a Board of Commissioners consisting of county officials from each of the counties served by the HUD voucher program, personal representatives of the low-income population for those counties, and other interested citizens of those communities. Pulaski County, Missouri is the signatory commission to the HUD contracts.

MOCA serves as the administrative entity for Pulaski County Public Housing Authority. As such, all funds are held by MOCA, and financial transactions are processed through its administrative offices.

These financial statements include only the funds of the HUD Project No. MO207.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Reporting Entity

In evaluating how to define the government for financial reporting purposes, management has considered all potential component units. The decision to include a potential component unit in the reporting entity was made by applying the criteria set forth in Government Accounting Standards Board Codifications. The reporting entity is defined as the primary government and those component units for which the primary government is financially accountable. Financial accountability is defined as appointment of a voting majority of the components unit’s board, and either a) the ability to impose the primary government’s will, or b) the possibility that the component unit will provide a financial benefit to or impose a financial burden on the primary government. There were no component units.

Basis of Accounting

The Authority’s financial statements are presented on the full accrual basis in accordance with accounting principles generally accepted in the United States of America. The Authority applies all Governmental Accounting Standards Board (GASB) pronouncements.

All activities of the Authority are accounted for within a single proprietary (enterprise) fund. Proprietary funds are used to account for operations that are (a) financed and operated in a manner similar to private business enterprises where the intent of the governing body is that the cost (expenses, including depreciation) of providing goods and services to the general public on a continuing basis be financed or recovered primarily through user charges; or (b) where the governing body has decided that periodic determination of revenues earned, expenses incurred, and/or net income is appropriate for capital maintenance, public policy, management a control, accountability, or other purposes.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Basis of Accounting (Continued)

Proprietary funds distinguish operating revenues and expenses from non-operating items. Operating revenues and expenses generally result from providing services and producing and delivering goods in connection with a proprietary fund's principal ongoing operations. The principal operating revenues of the Authority are grants provided by federal agencies. Operating expenses for proprietary funds include the cost of housing assistance payments and services, administrative expenses, and depreciation on capital assets. All revenues and expenses not meeting this definition are reported as non-operating revenues and expenses.

The accounting and financial reporting treatment applied to the Authority is determined by its measurement focus. The transactions of the Authority are accounted for on a flow of economic resources measurement focus. With this measurement focus, all assets and all liabilities associated with the operations are included on the balance sheet. Net Position (i.e., total assets net of total liabilities) are segregated into invested in capital assets, net of related debt and unrestricted components.

Cash and Cash Equivalents

For the statement of cash flows, all unrestricted investment instruments are cash equivalents.

Allowance for Doubtful Accounts

The allowance for doubtful accounts is based upon management's evaluation of the collectability of outstanding grant receivables and other receivables at the end of the year.

Capital Assets

The Authority capitalizes all costs in excess of \$500 for property and equipment at cost. If items are donated, they are recorded at fair value at the date of donation. Renewals and betterments are capitalized as additions to the appropriate asset accounts, while maintenance and repairs which do not improve or extend the life of the respective assets are charged to expense as incurred. Donated assets are recorded at fair value at date of donation. Capital assets are depreciated using the straight-line method over the useful lives of the assets. Depreciation is provided on the straight-line method over the estimated useful lives of the respective classes of property. Estimated useful lives are as follows:

Buildings	15 to 45 Years
Furniture and Equipment	3 to 10 Years
Leasehold Improvements	15 Years

When properties are disposed of, the related cost and accumulated depreciation are removed from the account and profit or loss upon disposal is reflected in operations.

Unearned Revenue

Unearned revenue consists of amounts received HUD in advance of meeting eligibility requirements other than timing. The funding from HUD for administrative fees is based on the number of vouchers leased, which is not a timing requirement but an eligibility requirement as defined by HUD accounting briefs.

Federal Income Tax Status

The Authority is a governmental organization which is subsidized by the Federal Government. The Authority is exempt from Federal and State income tax.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Net Position

The Authority's net position is classified as follows:

Net Investment in capital assets consists of capital assets, including restricted capital assets, reduced by accumulated depreciation and by any outstanding debt incurred to acquire, construct, or improve those assets. If there are significant unspent proceeds from capital related debt at year-end, this component does not include the portion of the debt attributable to those proceeds. Instead, that debt is placed in the net assets component that includes the unspent proceeds.

Restricted- reports the component of net position with limits on their use that are externally imposed by creditors, grantors, contributors, or the laws and regulations of other governments.

Unrestricted- reports the component of net position whose use is not restricted by donors, even though their use may be limited in other respects, such as by contract or by board designation. Changes in net position arising from exchange transactions are included, as well as resources derived from gifts and contributions. These resources are used at the discretion of the governing board to meet current expenses for any purpose.

When an expense is incurred that can be paid using either restricted or unrestricted resources, the Agency's policy is to first apply the expense towards restricted resources, and then towards unrestricted resources.

Regulations of U.S. Department of Housing and Urban Development (HUD)

The public housing complex is a subsidized project and is subject to HUD regulations.

Accounting Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

3. DEPOSITS AND INVESTMENTS

Custodial Credit Risk – deposits. Custodial credit risk is the risk that in the event of a bank failure, the Authority's deposits may not be returned to it.

At year-end the carrying amount of the Authority's deposits, including certificates of deposit, was \$902,307 and the bank balance was \$904,070. The bank balance was held by one bank, resulting in a concentration of credit risk. Of the bank balance, \$250,000 was covered by FDIC insurance. The remaining balance of \$654,070 was collateralized by pledged securities held under joint custody receipts issued by a third-party bank in the administrative agency's name. The third-party bank holding the pledged securities is independent of the pledging bank. The pledged securities are held under a tri-party custodial agreement signed by all three parties: MOCA, the pledging bank, and the independent third-party bank holding the pledged securities.

4. RECEIVABLES, NET

Receivables at December 31, 2016, consist of amounts due under the following:

Accounts Receivable:	
Fraud receivables	\$ 78,846
Less: Allowance for doubtful accounts	<u>(67,366)</u>
Total Receivables	<u>\$ 11,480</u>

5. CHANGES IN CAPITAL ASSETS

The following is a summary of the changes in capital assets for the year ended December 31, 2016:

	<u>12/31/15</u>	<u>Additions</u>	<u>Retirements</u>	<u>12/31/16</u>
Furniture & Equipment	\$ 22,282	\$ --	\$ --	\$ 22,282
Total Capital Assets	<u>22,282</u>	<u>--</u>	<u>--</u>	<u>22,282</u>
Accumulated Depreciation	<u>(20,670)</u>	<u>\$ (450)</u>	<u>\$ --</u>	<u>(21,120)</u>
Net Capital Assets	<u>\$ 1,612</u>			<u>\$ 1,162</u>

6. CURRENT VULNERABILITY DUE TO CERTAIN CONCENTRATIONS

The Authority receives virtually all of its revenues through a contract with the Department of Housing and Urban Development. In addition, the Authority operates in a heavily regulated environment. The operations of the Authority are subject to the administrative directives, rules and regulations of federal, state, and local regulatory agencies, including, but not limited to, HUD. Such administrative directives, rules and regulations are subject to change by an act of Congress or an administrative change mandated by HUD. Such changes may occur with little notice or inadequate funding to pay for the related cost, including the additional administrative burden, to comply with a change.

7. COMPENSATED ABSENCES

Vacation Pay

All regular, full-time and part-time employees are eligible for vacation benefits based upon the employee's anniversary date. Vacation time is accrued or earned based upon the employee's length of service and on the time actually worked. No employee may carry an accrued balance of leave of more than 10 days (80 hours) from December 31 to January 1. All accrued leave in excess of 10 days will be reduced on January 1 of each year. Vacation time is earned on a graduated scale ranging from 2 to 3 hours per week based on years of service from one year to five years and over.

7. COMPENSATED ABSENCES (Continued)

Sick Leave

All regular, full-time and part-time employees earn paid sick leave annually. Sick leave is earned at a rate of 2 hours per week. Employees may accumulate up to a maximum of 30 days (240 hours). Sick leave accrual in excess of 30 days will be bought back by the Authority at 1 hour of pay for every 2 hours of sick leave in excess of 240 hours after January 1 of each year. Unused time earned for sick leave is lost if the employee is terminated for any reason.

The Authority determines a liability for compensated absences when the following conditions are met:

1. The Authority's obligation relating to employees' rights to receive compensation for future absences is attributable to employee services already rendered.
2. The obligation relates to the rights that vest or accumulate.
3. Payment of the compensation is probable.
4. The amount can be reasonably estimated and is material to the financial statements.

In accordance with the above criteria, a liability for accrued vacation has been accrued in these financial statements. However, the Authority has not accrued the liability for sick pay which has been earned, but not taken by Authority employees, as the amounts cannot be reasonably.

8. RESTRICTED CASH

In accordance with HUD regulations, an amount equal to Housing Assistance Payments (HAP) equity in the Housing Choice Voucher program is considered to be restricted cash and amounts received but recorded as deferred inflows for future HAP payments. This amount may not be used for any purpose other than HAP payments.

At December 31, 2016, the amounts restricted for HAP was:	
Housing Choice Voucher Program	\$ 196,023

9. DEFERRED INFLOW OF RESOURCES

Deferred inflow of resources consists of amounts received HUD in advance of the period for authorized use. At December 31, 2016 the amounts deferred were:

January 2017 HAP funding received in December 2016	\$ 120,535
----------------------------------------------------	------------

10. CONTINGENCIES

The Authority is subject to possible examination by Federal and State authorities who determine compliance with terms, conditions, laws and regulations governing other grants given to the Authority in the current and prior years.

11. RISK MANAGEMENT

The Authority is exposed to various risks of loss related to torts; theft of, damage to, or destruction of assets; errors and omissions; injuries to employees; employees' health and life; and natural disasters. The Authority manages these risks through the purchase of various insurance policies.

12. AFFILIATED ORGANIZATIONS

As discussed in Note 1, the Authority is administered by Missouri Ozarks Community Action, Inc. (MOCA). The Authority would be considered an affiliated organization of MOCA and is included as such in their financial statements.

13. SUBSEQUENT EVENTS

The Authority evaluated events and transactions occurring subsequent to year-end, and there were no subsequent events requiring recognition in the financial statements. Additionally, there were no nonrecognized subsequent events requiring disclosure.

**INDEPENDENT AUDITORS' REPORT ON APPLYING
AGREED-UPON PROCEDURES**

Board of Commissioners
Pulaski County
Public Housing Authority
Richland, Missouri

We have performed the procedure described in the second paragraph of this report, which was agreed to by Pulaski County Public Housing Authority, and the U.S. Department of Housing and Urban Development, Public Indian Housing-Real Estate Assessment Center (PIH-REAC), on whether the electronic submission of certain information agrees with the related hard copy documents included within the OMB Uniform Administrative Requirements reporting package. Pulaski County Public Housing Authority is responsible for the accuracy and completeness of the electronic submission. The sufficiency of the procedure is solely the responsibility of Pulaski County Public Housing Authority and the U.S. Department of Housing and Urban Development, PIH-REAC. Consequently, we make no representation regarding the sufficiency of the procedure described below either for the purpose for which this report has been requested or for any other purpose.

We compared the electronic submission of the items listed in the "UFRS Rule Information" column with the corresponding printed documents listed in the "Hard Copy Documents" column. The associated findings from the performance of our agreed-upon procedure indicate agreement or non-agreement of the electronically submitted information and hard copy documents as shown in the attached chart.

This agreed-upon procedure engagement was conducted in accordance with attestation standards established by the American Institute of Certified Public Accounts and the standards applicable to attestation engagements contained in *Government Auditing Standards* issued by the Comptroller General of the United States. We were not engaged to and did not conduct an examination or review, the objective of which would be the expression of an opinion or conclusion, respectively, on whether the electronic submission of the items listed in the "UFRS Rule Information" column agrees with the related hard copy documents within the audit reporting package. Accordingly, we do not express such an opinion or conclusion. Had we performed additional procedures, others matters might have come to our attention that would have been reported to you.

We were engaged to perform an audit in accordance with the audit requirements of OMB Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards, for Pulaski County Public Housing Authority as of and for the year ended December 31, 2016, and have issued our reports thereon dated July 21, 2017. The information in the "Hard Copy Documents" column was included within the scope or was a by-product of that audit. Further, our opinion on the fair presentation of the supplementary information dated July 21, 2017, was expressed in relation to the basic financial statements of Pulaski County Public Housing Authority taken as a whole.

A copy of the reporting package required by OMB Administrative Requirements, which includes the auditors' reports, is available in its entirety from Pulaski County Public Housing Authority. We have not performed any additional auditing procedures since the date of the aforementioned audit reports. Further, we take no responsibility for the security of the information transmitted electronically to the U.S. Department of Housing and Urban Development, PIH-REAC.

The purpose of this report on applying agreed-upon procedures is solely to describe the procedures performed on the electronic submission of the items listed in the “UFRS Rule Information” column and the associated findings, and not to provide an opinion or conclusion. Accordingly, this report is not suitable for any other purpose.

**INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER FINANCIAL
REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF
FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE
WITH GOVERNMENT AUDITING STANDARDS**

Board of Commissioners
Pulaski County
Public Housing Authority
Richland, Missouri

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Pulaski County Public Housing Authority, as of and for the year ended December 31, 2016, and the related notes to the financial statements, which collectively comprise Pulaski County Public Housing Authority's basic financial statements, and have issued our report thereon dated July 21, 2017.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered Pulaski County Public Housing Authority's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Pulaski County Public Housing Authority's internal control. Accordingly, we do not express an opinion on the effectiveness of Pulaski County Public Housing Authority's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the Authority's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether Pulaski County Public Housing Authority's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Authority's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Authority's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

**INDEPENDENT AUDITORS' REPORT ON COMPLIANCE FOR EACH MAJOR PROGRAM AND
ON INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY THE UNIFORM GUIDANCE**

To the Board of Commissioners
Pulaski County Public
Housing Authority
Richland, Missouri

Report on Compliance for Each Major Federal Program

We have audited the Pulaski County Public Housing Authority's compliance with the types of compliance requirements described in the OMB Compliance Supplement that could have a direct and material effect on each of the Pulaski County Public Housing Authority's major federal programs for the year ended December 31, 2016. Pulaski County Public Housing Authority's major federal programs are identified in the summary of auditors' results section of the accompanying schedule of findings and questioned costs.

Management's Responsibility

Management is responsible for compliance with federal statutes, regulations, and the terms and conditions of its federal awards applicable to its federal programs.

Auditors' Responsibility

Our responsibility is to express an opinion on compliance for each of the Pulaski County Public Housing Authority's major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. *Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Those standards and the Uniform Guidance require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about the Pulaski County Public Housing Authority's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program. However, our audit does not provide a legal determination of the Pulaski County Public Housing Authority's compliance.

Opinion on Each Major Federal Program

In our opinion, the Pulaski County Public Housing Authority, complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended December 31, 2016.

Report on Internal Control over Compliance

Management of the Pulaski County Public Housing Authority, is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered the Pulaski County Public Housing Authority's internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of the Pulaski County Public Housing Authority's internal control over compliance.

A *deficiency in internal control over compliance* exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A *material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Purpose of this Report

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.
