

Missouri Ozarks Community Action

In an effort to reassure our employees that you have support when it comes to your benefits, we want to let you know that HUB, our broker partner, has two team members dedicated to help serve Missouri Ozarks Community Action.

Trease Smith and Kyla Boyd-Seward are available to answer questions you may have regarding any of the health and welfare benefits Missouri Ozarks Community Action offers. They would be your first contact if you are in need of help, and a few examples of things they can assist with are:

- Requesting a new ID Card
- Discussing the plan coverages
- Locating an in network provider
- Answering claim questions
- Helping to understand a bill or EOB that you receive

Truss is your benefits advocate. If you have questions in regards to claims, billing or general questions about your medical, dental and life insurance benefits, please contact Trease Smith or Kyla Boyd-Seward.
