

Missouri Ozarks Community Action

Ask not what your **COMMUNITY** can do for you...

but what **YOU** can do for your community!

Missouri Ozarks Community Action (MOCA) is currently seeking representatives to serve their community through our Board of Directors.

- ◇ Advocate for families in need.
- ◇ Build confidence in your community and yourself.
- ◇ Set policy that serves your community.
- ◇ Strategic Planning of agency to fit the community and it's needs.
- ◇ Become active in your community.

MOCA Board of Directors is a Tri-Partite Board: One-third is composed of elected public officials (or their appointed representatives), One-third private interest groups, and One-Third low-income representatives. Board Members elected to serve on MOCA's board are reimbursed for round trip mileage from home to the meeting. Meetings are held monthly at 6:00 pm (dinner provided) on the 4th Thursday at alternating locations.
